Exhibit “booths” will be divided by side curtains and backdrops. They are carpeted, and each booth contains one 30” x 72” skirted table. A small booth has a floor space of approximately 8 x 8 ft. A large booth has a floor space of approximately 8 x 12 ft. Each exhibit area will be provided with two chairs. Electricity is also provided. Other equipment is available and can be provided for an additional fee. Posters, displays, maps, and equipment must be confined to the booth area. ~ Set up time is Wednesday evening, March 10 from 5:00 to 10:00 p.m., or Thursday morning, March 11 from 6:30 - 8:00 a.m. All exhibits must be set up and ready for opening at 8:00 a.m. on March 11.

Exhibitor spaces will be assigned by University staff and will not be known in advance. Only adjustments due to an incompatibility of adjacent products will be considered. No changes in exhibitor location will be allowed. Company names will be on the booths when you arrive, and nametags and other conference materials will be on your tables.

SLSI will conduct an auction at the awards banquet on Thursday evening, with the proceeds going to the Iowa Professional Surveyors Foundation. Exhibitors are requested to donate items that may be used for this auction. The Iowa Professional Surveyors Foundation supports the advancement of the field of land surveying through education and the creation and dissemination of information. It also serves as a source of educational financial assistance to individuals seeking a career in land surveying. Dollars generated from the auction will be used to provide scholarships for these individuals. Please indicate any item(s) you wish to contribute on the following registration form. Your generous support of the surveying profession is greatly appreciated!

Also, if you have any items that would be appropriate to be given away as door prizes, please list those on the registration form as well. Door prizes will be given away at Friday’s luncheon.

If your registration is received by February 1, 2010, we will send with your confirmation a set of mailing labels for SLSI members so you can personally invite them to stop by your booth at the conference. Also, a listing of all exhibitors will be printed prior to the conference and will be available to attendees at registration. Donors of auction items will be indicated in the exhibitor listing.

Please send a business card along with your registration, so we may use it for the Professional Listing page in the Society’s newsletter, “Random Lines.” All exhibiting companies will be recognized in the Spring, 2010 issue.

If you are also interested in registering as an attendee of the conference itself, please let us know. We will provide you with registration materials, which should become available late January, 2010.
